RADIO COMMITTEE:

James reported that the repair issue has been resolved and the repeater was reinstalled at the end of April with no issues since the installation.

James stated that he is working on the Grant closeout. He acknowledges that there are discrepancies between the invoices and the payments that he continues to work with AllComm on. He stated that there was a period of time that everything that was coming out of the county was being charged to the grant that was not part of the project. Including items for individual department and the police departments. They are now going over everything line by line to identify the legitimate items/charges.

FORESTRY:

The Grant checks will be distributed at either the Wolf Creek or Cook Springs association meeting. Anyone that is not in attendance to pick up your departments check will need to make arrangements to pick it up at the Forestry Office.

BY-LAWS:

Even though By-Laws document has been sent to the County attorney for review, it is still on hold because no quote for charges have been received. Once the attorney has completed the review, the board will meet to finalize everything and it will be posted to the website for everyone to review it. At which point it will be brought to the association for a vote.

HONOR GUARD:

No report given.

If anyone is interested in joining or if you need the services of the Honor Guard contact the Wattsville Fire Department., or Larry Underwood at Larry.Underwood@trin.net or 205-753-3730

OLD BUSINESS
