ST. CLAIR COUNTY EMERGENCY COMMUNICATIONS DISTRICT  
MEETING JANUARY 25, 2022

**NEW BUSINESS**

County Attorney, James Hill, opened the E-911 Board Meeting and stated that the County Commission sits as the E-911 Board. We are here to today to consider the creation of an Advisory Board to determine the feasibility & logistics & primarily the finances related to a radio system for St. Clair County. Mr. Hill had nine names & this is not supposed to be an exhausted list, including Freddie Turrentine, Bryan Muenger, Glenn Walton, Tim Kurzejeski, Richard Harvey, Thomas Hunt, Wayne Mealer, Patrice Kurzejeski, Tommy Bowers, and any other individuals whom the Board deems of value. That represents persons from all across the County, different agencies, different departments, and different expertise that come together to determine both how, where, and how we can fund a new communication system for St. Clair County.

The first item of business was to discuss the creation of an Advisory Board for a radio system. On a motion by Commissioner Parker, seconded by Commissioner Mize, with all voting aye except Commissioner Bowers, who abstained, it was

RESOLVED, that creating an Advisory Board for a radio system is approved.

The next item of business was to approve changing cell phone service from Verizon to a contract with FirstNet. On a motion by Commissioner Brown, seconded by Commissioner Bowers, with all voting aye, it was

RESOLVED, that changing cell phone service from Verizon to a contract with FirstNet is approved. (Contract to be made a part of these minutes as Attachment #1)

There being no further business, the meeting adjourned, at approximately 9:06 a.m. On a motion by Commissioner Mize, seconded by Commissioner Bowers, with all voting aye.
