Authorization

In making this request, I, the undersigned, do agree to perform the above described work in keeping with policies established by St. Clair County Commission, in such a way to leave county road and right of way in a condition as good as before said work was commenced, putting special emphasis on the following: 1. Pleasing appearance 2. Proper Drainage 3. Proper Erosion Control.

It is understood that St. Clair County will not be responsible for Conflict with Utility due to road maintenance or road construction. No plowing will be allowed along any paved road. All cable will be placed behind ditch line on paved roads except when specified by County Engineer. All utilities must provide the Emergency Number above and must be a part of a locator service or have in house location, with number provided above. All sewer lines must be green PVC with the word sewer printed on it, with locator wire, locator tape 1 Foot above, and above ground fiber glass markers placed throughout the line. It is understood and agreed by the undersigned party that if County Road and County right of way is not restored in as good condition as before said work was commenced, that the County is authorized to have corrections made at the expense of the utility company involved.
