

**ST. CLAIR COUNTY COMMISSION**  
**Policy # 30**

To insure that St. Clair County resources such as computers, phone lines, office space, etc. are not used for illegal purposes the following policy shall be in force:

Any computer owned by St. Clair County or any computer being used in any county owned space shall be subject to a random history search by a designee of the St. Clair County Commission. Any illegal or potentially illegal activity discovered by this search shall be submitted to the St. Clair County District Attorney for investigation. All laws and policies protecting privacy will be adhered to as monitored by the District Attorney and/or the Sheriff of St. Clair County.

This policy shall not include those computers within the court system that contain protected information such as Grand Jury proceedings, Juvenile and Youthful Offender records or other protected court records.

Adopted and approved this the 24<sup>th</sup> day of April, 2001.
